

## **CERTIFICATED VACANCY**

### **INSTRUCTOR: Emergency Medical Technician**

Work Location: Hollywood  
Hourly As Needed / 10-Month  
\$ 21.66 – 31.38 per hour  
(PLUS 06-07 COLA)

Medical, Dental, Vision, & Life Insurance  
Benefits Available

### **DUTIES AND RESPONSIBILITIES:**

Teach adult students who are interested in becoming an emergency medical technician, emergency room technician, or ambulance driver health team responsibilities and teach them to evaluate and respond to medical emergencies. Train students for entry-level positions within the medical field and prepare students for EMT certification. In addition to the instructional responsibilities, this position requires the administration and direction of the EMT training program according to the criteria established and approved by the Los Angeles County Emergency Medical Services Agency.

### **MINIMUM QUALIFICATIONS:**

At least 2 years of academic or clinical experience in emergency medicine or pre-hospital emergency care within the last 5 years. Must be licensed in California as a paramedic or EMT-I. In addition, must possess (or be eligible and willing to apply for) a valid Designated Subjects Credential authorizing services in vocational education for designated subject. This requires possession of a high school diploma or equivalent, and five years of recent experience in the technical skill, trade, or vocation to be taught. One year of the required experience must be within the last three years. Up to three years of the required work experience may be substituted with additional approved, related post high school education, apprenticeship program, or college preparation.
